Pullet Project Information

The Hernando County Livestock Committee will provide participants with instruction and opportunities to learn to feed, water and care for chickens from the “day old hatching” stage to “ready-to-lay” pullets. This project will benefit young people by providing opportunities to develop self-responsibility, discipline, and persistence, and it will also provide a pathway into developing the character traits necessary to transition into larger animal projects.

To ensure uniformity (age, gender and breed) and to increase survivability, each participant will be given 6-one-day-old biddies that have been purchased from the hatchery by the HCFA. Prior to receipt, all chicks will be vaccinated at the hatchery for Marek’s Disease and each participant will receive the health related information needed for the care of their new arrivals.

At the end of the project the participants will be encouraged to select their top 3 pullets to enter for judging at the Hernando County Fair. Each entry will be judged as a ready to lay set by an unbiased official and ribbons will be awarded. All age divisions are welcome to enroll. **It will be the responsibility of the exhibitors to identify and invite potential buyers and sales prices will not be guaranteed. All animals will be sold on April 19th, 2019.**

1. Poultry will be limited to the first 20 entries.
2. Exhibitors must select their top 3 pullets and bring them in ventilated container (no cardboard boxes) and may not be removed until inspection is complete, then may be placed directly into their cages. All storage containers must be removed from livestock barn during the fair. Exhibitors must make their own arrangements for delivery of the birds.
3. Once the birds have been received, exhibitors may not relocate their birds.
4. Exhibitors will be limited to showing FEMALE BIRDS ONLY around the age of 6 months.
5. ONLY PULLETS PURCHASED THROUGH THE HERNANDO COUNTY FAIR ASSOCIATION MAY BE SHOWN IN PULLET PROJECT.
