What to do first . . .

You are invited to participate in this year's Hernando County Fair and Youth Livestock P.O.M.

Rabbit Sale, will beginning at 6:30 p.m.

The 4-H and FFA exhibitors have been raising their P.O.M. Rabbit. During this time they have selected, fed, and groomed their P.O.M. Rabbit. These youth have learned valuable knowledge about agribusiness, record keeping, production costs, labor input, management, as well as developing a work ethic. The Auction is the culminating event for the youth to offer their market ready rabbit to the public. By selling their animal each exhibitor realizes their goal of producing a quality food animal for you, the consumer.

What's in it for you?

As a buyer you are given a unique opportunity to invest in the youth of Hernando County. You receive recognition as a supporter with your name/company name in the paper, displayed on a sign in the barn, and on the Fair website.

Come to the Fair . . .

Bring your Buyer's Letter with you to the Fair, show it to the gate attendant, and you and one

(1) guest will be admitted for **FREE**.

Come to the Barn Office to register yourself or your Company. You will be issued a bidding number.

(Registration does NOT commit you to purchasing an animal).

Feel free to walk through the barn, speak with the exhibitors about their projects, and decide which animal(s) you may be interested in bidding on.

When the auction begins simply raise your bidder

number , and continue to raise as long as

you wish to bid.

Once you have purchased your rabbit, you will be asked if you want your rabbit as a

BUY or BUYBACK?

If you choose **BUY**, then you are buying the rabbit for your own consumption.

If you choose **BUYBACK**, then you are supporting the exhibitor, but not taking possession of the rabbit. (**Buyback** price will be announced at the beginning of auction).

When you choose **buyback** you actually pay less than you bid for the animal. (If you bid \$3.00 per pound and **buyback** price is \$1.00 per pound, you actually only pay \$2.00 a pound).

Costs of Processing

If you **BUY** the chickens, advise the Ring Steward which processor you want your rabbit sent to ~ Contact processor to discuss cutting and wrapping.

* Prices subject to change
